

WAKEFIELD HIGH SCHOOL

MEMO TO: Senior Homeroom Presidents  
FROM: Bill Gordon - Senior Class President  
SUBJECT: Homeroom Discussion Topics

Dr. Wilson feels that the homeroom period Wednesday will be sufficient for discussion of these matters.

I The following events may be part of Graduation Week: Briefly describe each activity and ask for volunteers to serve on planning committees. (one for each activity).

- A. Graduation ceremony
- B. Baccalaureate service
- C. Senior Day (swimming party, picnic, etc.)
- D. Senior Class Night (banquet, skit, etc).
- E. Prom - Dr. Wilson read the reply from the Army-Navy Country Club refusing our request for their ballroom. The refusal is based on the overcrowded facilities at the club, and the fact that if we were allowed to use the ballroom, they would be setting a precedent. Dr. Wilson suggested we consider the many ways of making an attractive dance with the facilities at Wakefield.
  - 1. Catering Service
  - 2. Use cafeteria for ballroom
  - 3. Court - refreshments - music piped out into court
  - 4. Tennis courts decorated and used for dancing
  - 5. Use teachers' lounge chairs
  - 6. Use library facilities
  - 7. Possibility of breakfast following the promAsk for additional suggestions.

II The officers are seeing representatives of companies which provide announcements and caps and gowns. The decision should be made early in the year. Ask your homeroom for suggestions for the colors of the robes.
